

# ***IT'S THE RETURN OF THE PRODIGAL PLANE!***

In 1929 a beautifully designed cabin biplane was designed and built in

the main hangar at the old Saginaw Municipal Airport in Saginaw Michigan. The Paramount Cabinaire, serial number 7, had a long flying life, was almost lost in a hangar fire, was rebuilt twice and after eighty-seven years is coming back home to Saginaw!

**See it Saturday August 13, 2016 at the  
Saginaw Valley Air Museum
